As an employer, are you looking for a proven leadership training program for your employees?

As a working professional, do you need a program that will enhance your career, teach you basic points of leadership, and help make a difference in Huntington County?

The Huntington County Leadership Academy offers students solutions to the fast-paced, ever-changing needs of business and industry in the 21st Century.

Our Purpose

Huntington County Leadership was founded to develop informed, motivated citizens who will help the county meet tomorrow's challenges. The mission is to discover and develop a diverse group of citizens dedicated to maintaining and improving the quality of life in Huntington County.

Our Goals

- Identify potential community members and help them enhance their leadership skills.
- Make future leaders aware of the county's promise, its problems, and the complex inter-relationships of these factors.
- Provide a forum for participants to meet today's community leaders, who will provide valuable background and informed perspectives on issues facing Huntington County.
- Focus on local problem-solving, using local resources.
- Enable participants to create a network of peer, mentor and business relationships, and stimulate a life-long commitment to community service.

The leadership skills you will learn include:

- Listening
- How to Ask Probing Questions
- Attitude Development
- Consensus Building
- Teamwork
- Public Speaking

Our People

Because leadership emerges from all parts of the community, HCL strives to involve a broad cross-section of occupations and interests among participants.

As many as 30 participants will be selected for each academy. Individuals may apply for consideration, or businesses may sponsor a candidate.

Note: All classes will be held from 8:30 a.m. to 11:30 a.m. every other Wednesday, beginning Jan. 4 with the exception of the first session. The Jan. 4 class will be from 8:30 a.m. to 3 p.m. and a lunch will be served. A light breakfast is offered at each class. The program will conclude on May 9 with graduation ceremonies.

Our Facilitator

Ed Vessels

Mr. Vessels was an Operational Executive and General Manager for Bendix Commercial Vehicle Systems LLC, a member of the Knorr-Bremse Group. After retiring from Bendix with 31 years of service, Vessels founded HiValu Leadership to develop future leaders and provide strategic consulting services to organizations and individuals. Mr. Vessels teaches leadership courses at the university level and is a requested speaker at professional and civic events. He holds an undergraduate degree from Bowling Green State University and a master's degree in business administration from Ohio State University.
